Uncle Don, you have always been my favorite Uncle, even from when I was a little girl and we would come to visit and you would always tickle me and I would laugh so hard. I am very sad that you are no longer here with us on this earth but I can take some comfort in knowing that you are no longer in any pain, and no longer grieving Aunt Maureen your true love. I love you and will miss you both so much.....😞😞😞 I know you both will be watching over everybody from heaven. Give Aunt Maureen a big hug for me.

When the cousins from out of town were at Grandma and pa's, some of us went walking and Uncle Don was one of the Adults that came and picked us up, I guess we were gone to long.
