“ So sorry that I cannot be there to hug you all during this time. Just know I love you and I would if I could. God's blessings to you al. I can hardly think of Earnest, without remembering the many times he went to the school house early and had the fires going in all those pot bellied stoves, so that the rest of us could be warm when we got there. Many thanks for that. It is those kind acts that stay with us. Love and hugs and prayers for all. Miss you.
