“Mack was a very special friend to me and I love him and his family so very much. I will always remember him for always calling me Loretta Lynn when I would sing. I have known him and Annie for as far back as I can remember as a child. Mack was always the same wherever you saw him and one thing for sure is that you knew he loved the Lord. He was a great example of a great Christian man. I will see you again one day Mack so you just save me a spot in the Heavenly choir.
