“ Phillip & Linda,
We are so sorry for your loss. Many times, while visiting "our " mother and aunt, we would look in on your mother. Ms. Peggy has now completed her journey. She is probably looking down wanting to let you know that she is now doing well and has been reunited with your father. She would also, most likely, want you to celebrate her life rather than mourn her passing. May this give you strength during the coming days. We are keeping you, and your family, in our prayers. May God bless and be with all of you during this trying time.

Phillip & Linda,

We are so sorry for your loss. We often looked in on your mother while visiting "our" mom and aunt. You know that Ms. Peggy's journey is now complete and she is looking down on you wanting you to understand that she is well, now, reunited with your father, hoping that you will celebrate her life rather than mourning her passing. You, and your family are in our prayers, especially during this trying time. May God bless all of you!!!
