“ Dad , it's March 2015 .It has been over a year now since you went to be with The Lord in Heaven . I miss you so much .I think of you everyday and can't wait to see you again.
It's been rough for all of us learning how to live life without you . You were always there for me when I needed you . I still talk to you often and feel at times you are with me still .
Things have changed a lot for us since you've gone to Heaven . (for me anyway)
I love you always .

“ Truman was a wonderful uncle. He always made me laugh, and loved to talk about all the family. He will be missed .I remember him singing and rocking me when I was little, picking the bones out of my fish so that I could eat it, and taking me bird "hunting" just to look at the birds. He taught me how to play atari and how to clean a fish with a spoon. I will always think of him when I hear the song "teen angel", which he sang to me. I love you Truman. Love patsy
